YESTERYEAR AND TODAY

INTRODUCTION

As the clock ticks on and the sands of time run out, changes come; but a few treasured landmarks linger on to remind us that although we look to the future, the past was just as glorious to those who lived it. And so it is with our school. Somewhere just east of Dr. Manley's office there is a line where past meets present. Nor is it an imaginary line, for we may stand there and face the new modern structure of our building while the old part remains behind us. To those who see more than surface values, this fact has a deeper meaning than just a matter of architecture, for it can be applied to our lives. While we treasure the past, let us strive toward a brighter and better future!

Time Was . . .

. . . TIME IS NOW

Too Late to Classify

Last year's Résumé rolled off the presses before graduation. Naturally a few things were too late to crowd in. Before we go on, just a glimpse at the past.

Up and over at the track meet.

Lady of the year, Joy Walker.

Punch at the prom.

Hobo day.

Music masters at Columbia.

A Joplin first.

AND THEN CAME

Spring comes and the last day of school follows closely on its heels. Then we bask in the joy of summertime.

Summertime—time off from the grind of school —time to relax and enjoy the good old earth.

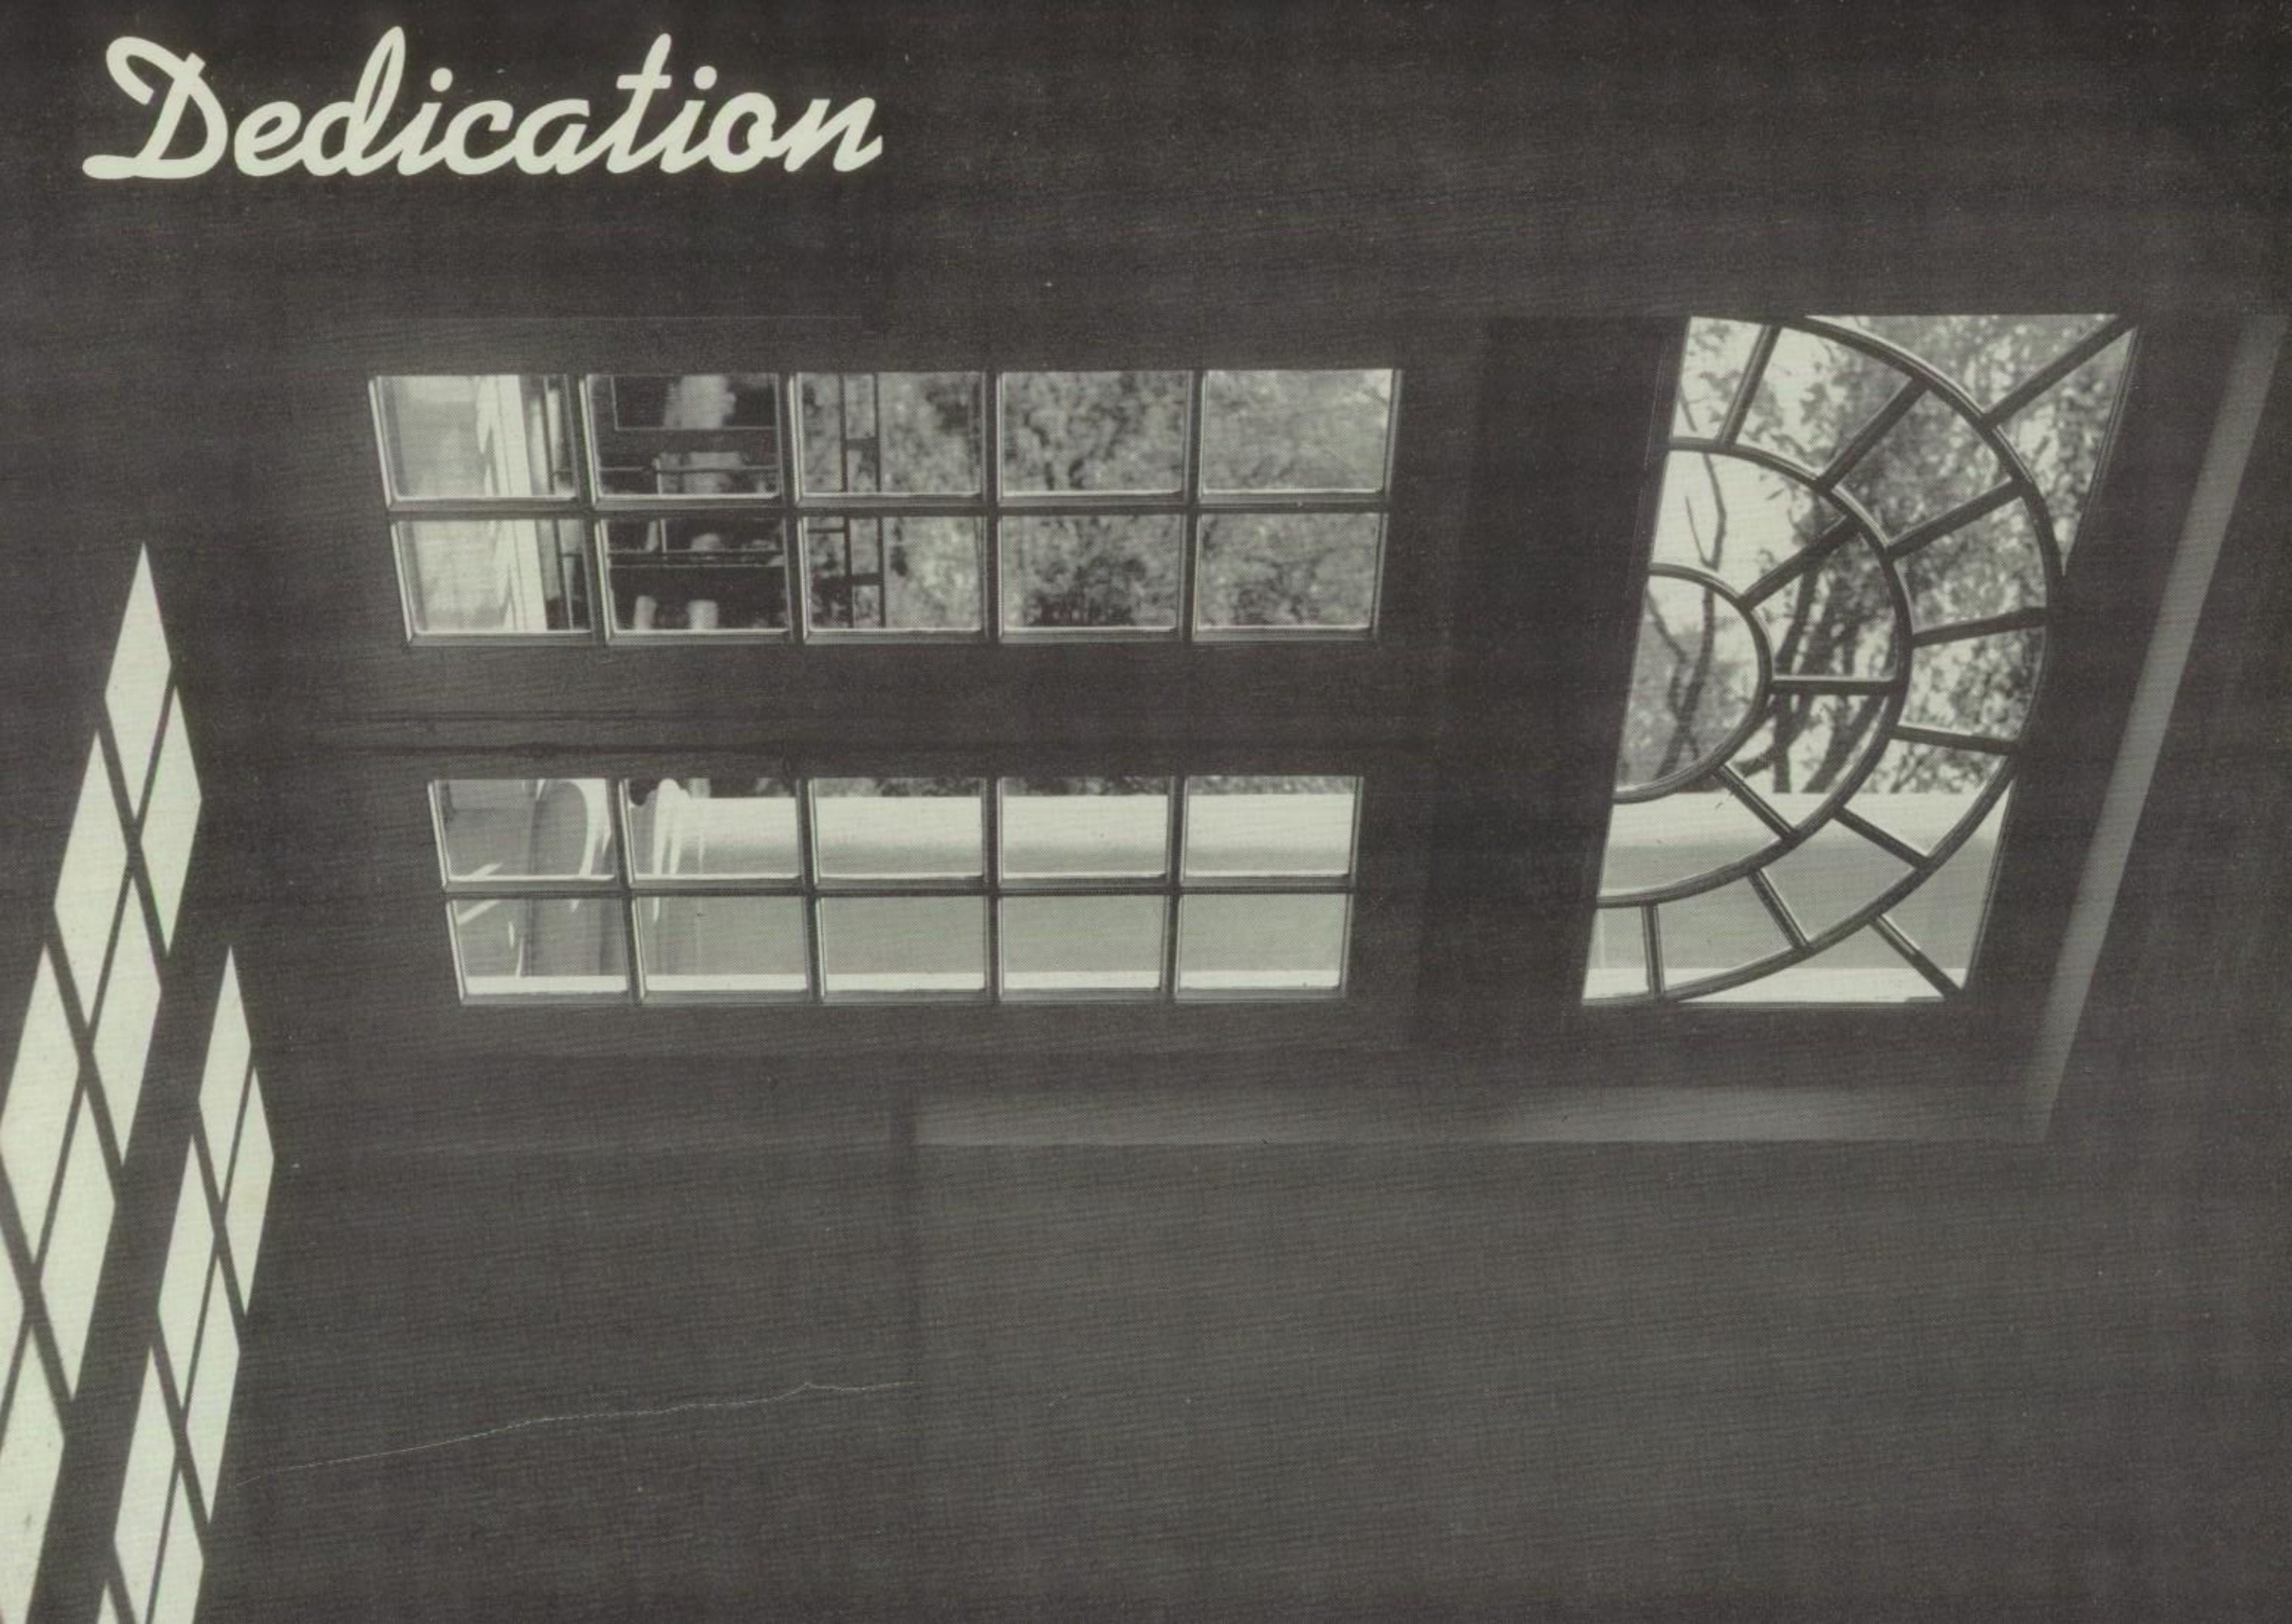
Dedication



Dedication . . .

In preparing the dedication of a yearbook it is customary for one to seek out a person with outstanding qualities of leadership, loyalty, and personality. One who possesses all of these characteristics is Miss Mary Calhoun, whose charm and personal interest have endeared her to all who know her. In her position as dean of girls Miss Calhoun has direct contact with a great majority of SHS students. Through her work she has been able to prove herself a friend and sympathizer in all difficulties.

VIRGINIA WOODRING

Re'sume'

Each fall Room B-11 sees a dozen "green" students who have made up their minds to see what makes a year-book tick. Long before spring they realize that, although it may appear glamourous from the outside, the inside story is one of ceaseless work. Seeing that each senior has his picture taken, selling the book itself, and publishing the Student-Teacher Directory are samples of staff duties.

Preparing the dummy, keeping the books, taking the photos, processing them, and getting everything off to the engraver and to the printers to meet deadlines are some of the other behind-the-scenes tasks. However, when spring rolls around, an exhausted staff reflects over its work and quite suddenly realizes the priceless experience and practical background that have enriched each member's life.

High Times

To the people pictured on this page, Thursday is a day which has a special meaning, a day which brings anxiety and apprehension, but also gives a satisfaction that comes with the culmination of a week's hard work; for Thursday is publication day for the "High Times."

This year has been a special one for the newspaper, for the staff feels that it has reached a standard that has never before been attained. In addition to giving accurate and timely coverage of newsworthy high school events, they have striven to make the paper more interesting to the reader, both by adding thought-provoking editorials and clever features, and by printing the paper more attractively. The success of the paper this year is adequate proof of the interest and work of the staff.

HELEN JOHNSON

STUDIO THEATER

Represented by the twin masks of tragedy and joy, the dramatics department provides the mass of Senior High students with an hour of enjoyment each assembly day—not to mention those extra special nights that roll around every quarter and bring such excellent productions as "Corral Capers", "Every Family Has One," and "Parisian Pleasures".

However, dramatics isn't a once-each-week affair. Every day holds excitement — and plenty of hard work—for Miss Helen Johnson's pupils. From learning the basic principles of make-up to performing difficult pantomine sketches, each class advances a step toward greater dramatic achievement.

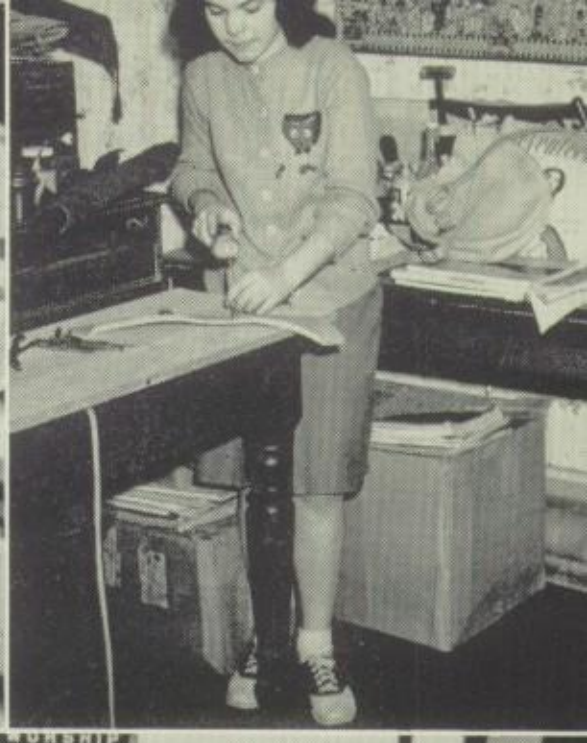
Under the capable administration of the four people pictured above, Senior High carries out an extensive diversified occupations program. Under its plan enterprising students work part-time and train for their vocation both on the job and in school. Here are pictures of a few of the many students "learning - on - the-job."



MUSIC MASTERS

BAND

The Band—mainstay of any event—backbone of the team! From loud and dynamic crescendos on the field to the mellow richness of the concert stage, our Band is recognized as one of the finest in the Middle West. Through the masterful direction of Mr. Robertson, many students have been started on the road to success in the field of music. Our thanks to Mr. Robertson and the one hundred twenty members of the SHS Band.

ORCHESTRA

1946-47

Our high school orchestra is an organization that has contributed much to the success of many school activities.

This group has presented many excellent performances in assemblies and has proved indispensable in the annual production of our high school operetta. The orchestra has also participated in many community activities, some students being members of the Springfield Civic Symphony. It has taken an active part and is well respresented in the Annual Music Festival and All-State Music Clinic.

Through its various activities the orchestra has shown the significance and eternal beauty of great music and has added the finishing touches that make a well-rounded high school program.

Under the capable leadership of Miss Dorothy Rathbone, this year's Junior-Senior Choir has made an outstanding record. This group of singers, which is composed of selected members of the junior and senior classes, has long been recognized as one of the finest in this section of the country. Besides presenting Thanksgiving, Christmas, and Easter assemblies, and giving much time to the annual operetta, the choir participated in the local spring music festival and the state contest at Columbia, Missouri, and gave a concert at Jarrett Junior High School last fall.

JUNIOR-SENIOR GLEE CLUB

In its second year the Junior-Senior Glee Club, composed of junior and senior girls, made several public appearances.

One of the main events of the year was their performance at the Senior High School Band Concert, the first given in a number of years by our band. They helped present Handel's "Hallelujah Chorus" in the Christmas assembly and also took part in the Easter assembly.

The Glee Club sang in the Springfield Public School's music festival this year and also joined with choirs of other schools in a concert during the festival.

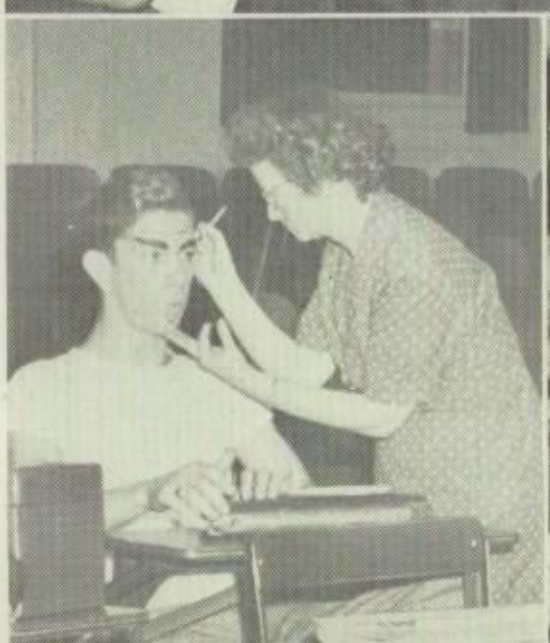
OPERETTA

Topping all dramatic productions in the year is the operetta. Five departments and the three directors responsible for its success work hard day and night to make it our outstanding theater event of the year. Our hearty thanks to Miss Helen Johnson, Miss Dorothy Rathbone, Mr. James Robertson, and to the splendid cast.



Backstage efforts played no small part in presenting "The Mikado" in all its color and splendor.

STUDENT GOVERNMENT

RALPH DUMMITT MISS MILDRED RILEY

Certainly no one school activity is as important in the preparation of good citizens as is Student Government. Our own system is strong and well organized, and is an accurate miniature of our federal government.

The Student Government of Springfield Senior High is divided into two parts: the executive, composed of the student body president, Ralph Dummitt, who was elected by the student body, and who is assisted by his cabinet of appointed commissioners; and the legislative body, consisting of the Senate, elected by the sophomore, junior, and senior classes, and the House, to which one representative is elected from each civics class.

With Miss Mildred Riley as advisor, our Student Government has done an excellent job of reflecting the opinions of the student body and, when it is advisable, making resolutions to carry them out. This idea is, after all, the ultimate purpose of a good government.

Back row: Ralph Dummitt, Bill Smith, David Heinlein, Paul Lantis.
Second row: Miss Riley, Norman Schenck, Shirley Bradley, June Routh.

FUTURE FARMERS

JOHN L. KIRBY

For young men interested in farm work, Vocational Agriculture is a profitable and enjoyable study. They work not only with livestock but also with production, maintenance, and farm management. Each boy is required to support at least one project, such as care of poultry, livestock, or crop growing. Thus they learn from practical experience.

The able leadership of Mr. John Kirby has kept alive a co-operative spirit in his boys this year. The Senior High F. F. A. group has far outranked all other schools in this section on points taken at local and county exhibits and fairs. This is Mr. Kirby's twentieth and biggest year as a vocational agriculture teacher.

Row I—W. E. Garrison, Frank Postle, Donald Rose, Robert Bell, Bill Phelps, Bob Robinson, Billy Powell, Charles Glaubitz, Dale Edmondson, Frank Baxter.

Row II—Bill Lusk, Hubert Crabtree, Norman Latham, Joe Turner, Bob Heck, John Netzer, Charles Moutray, Donald Ellison, John Zongker, Harold Buttram, Glen Woods.

Row IV—Bill Uzzell, Howard Ruby, La Von Moore, Jimmy Pierce, John Pierpont, James Buckley, Ben Cloyd, Robert Bash, James Tillman, Leon Ponds.

Ray Hoaglin and Harold Buttram build farm equipment.

W. E. Garrison and his chickens.

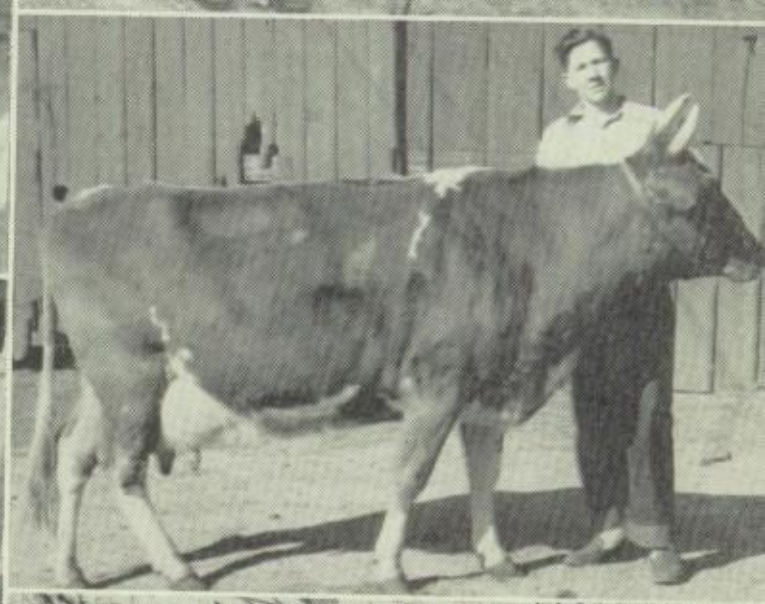
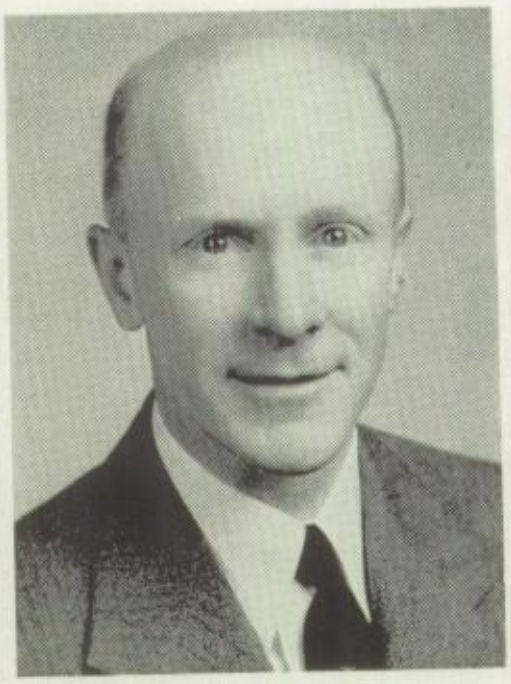
Jim Tillman has early morning chores. Jim has a registered Jersey, too.

John Pierpont exhibits his Grand Champion Jersey.



KILTIES



JAMES ROBERTSON

Mr. James P. Robertson has this year continued the work his late father began twenty-two years ago as sponsor of that colorful team —the Kilties. Their Scotch plaid has come to be associated with marching at sports events, parades, and similar events cherished in the memory of every high school student.

Their uniforms, which were imported from Scotland in 1926, have been their chief grievance this year; for even the best materials give way to mother nature eventually. So those graduating will automatically bequeath to their sisters the project of buying new uniforms with a fervent hope for their success. With this exception, 1946-47 has been a successful season for the girls. They deserve much credit for smiling through their difficulties and making the school smile with them.

First Row—Nancy Andrews, Doris Dehoney, Jo Ellen Suttles.

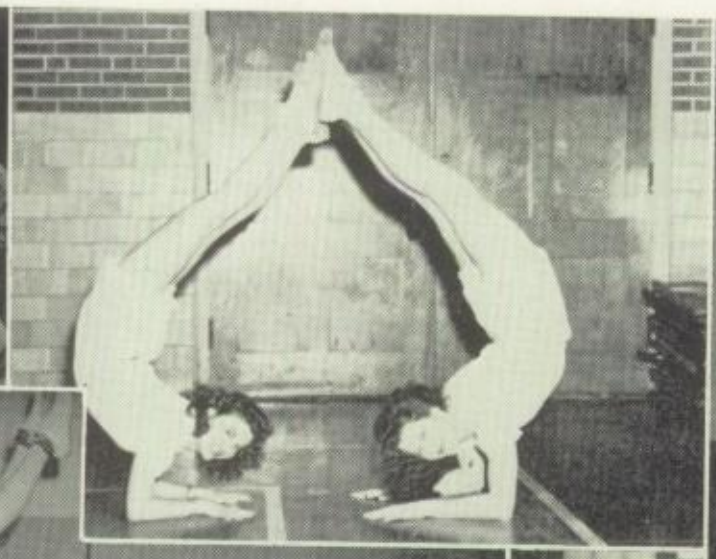
Second Row—Mary Sawtelle, Mary Jane Robinette, June Routh, Bette Nelle Blackwell, Nancy Fenton, Clarabel Dennis, Sharon Shanks, Jane Lusk, Hope Frink, Barbara Raymond.

Third Row—Thelma Yates, Eleanor Pratt, Mary Lou Whitlock, Pat Bolin, June Queen, Nelle Smith, Joan Morelock.

Fourth Row—Patsy Hedges, Doris Moore, Joan Dillon, Peggy Tracy, Mary Faye Patterson, Martha Mangan, Harriet Westland, DeLila Rook, Lillian Truitt.

Fifth Row—Eleanor Kern, Carolyn Conrad, Dorothy Williams, Martha Wasson, Jacquelyn Pearson, Wanda Lee Oheim, Kay Wright, Evelyn Neighbors, Jo Ann Carner.

GIRLS' PHYSICAL EDUCATION



Under the leadership of Miss Emily Armstrong and Mrs. Annette Jack, the girls of SHS have a well balanced physical education program. Girls interested in acrobatics find the Tumbling Club meets all expectations. They master anything from walking on their hands to standing on their heads. In the Leaders Club the girls are given an opportunity to develop their qualities of leadership. Those interested in volleyball and basketball are given unequaled opportunities to excel in their farovite sport. For building muscles or building minds, physical education does the job.

QUILL AND SCROLL

Quill and Scroll, which is the honorary society for both national and international high school journalists, has been in operation at Springfield Senior High since 1926. In 1944 our chapter became known as the Frank B. Hedges Chapter. To be elected to the organization, a student must be outstanding in some field of journalism.

Front Row: Marilyn Kennon, Blanchelen Campbell, Bob Anderson, Dorothy Specht, Betty Branson, Mary Lou Ward.
Second Row: Merrill Tetrick, Joan Wallace, Ruth Stapp, Sally Miles, Margy Widders, Nancy Rose.
Back Row: Dave Leaming, Jerry Tolle, Bob McClernon, Ramon Butts, Ruth Pruitt.

Third Row—Ted Fearing, David Anderson, Ralph Dummitt, Bob Wallace, David Heinlein.

DEBATE

ANNA B. JEFFERSON

This year has been truly eventful for the group of debaters pictured above. Under the guidance of Miss Anna B. Jefferson, they have won awards both individually and as teams. Debating the question: "Resolved: that the Federal Government should provide a system of complete medical care, available to all citizens at public expense," they attended debates in Missouri, Kansas, and Louisiana. Most striking was the record of the senior team, composed of Martha Mangan, Catherine Stone, Ralph Dummitt, and David Heinlein. Last fall this team won second place at Pittsburg, Kansas; and this spring they won first in tournaments at Joplin and Warrensburg, Missouri, and placed second at a tournament of all the southern states at Baton Rouge, Louisiana. A sophomore team, composed of Bob Wallace and David Anderson, won first place in the class B division of the Bolivar tournament in February.

Besides debating, the students have been active in oratory and declamation.

Résumé

Superintendent Harry P. Study

For twenty-three years Springfield schools have benefited from the efficient leadership and capable guidance of Mr. Harry P. Study. In the summer of 1924 he came to our system with the necessary experience and ability that it takes to manage our schools. In that time he has made friends of all who know him. Although his work doesn't permit close association with the many students, he keeps in touch with the younger generation that is always passing before him. Essentially a businessman, Mr. Study likes to relax from the stress of the office—tussle with his dog, work in his garden, or perhaps enjoy a coke with two young friends.

He has kept up with the trends in education as evidenced by his belief in a widened curriculum, greater efficiency, and a high degree of personal interest toward everyone.

Résumé

COACHES

VANATTA

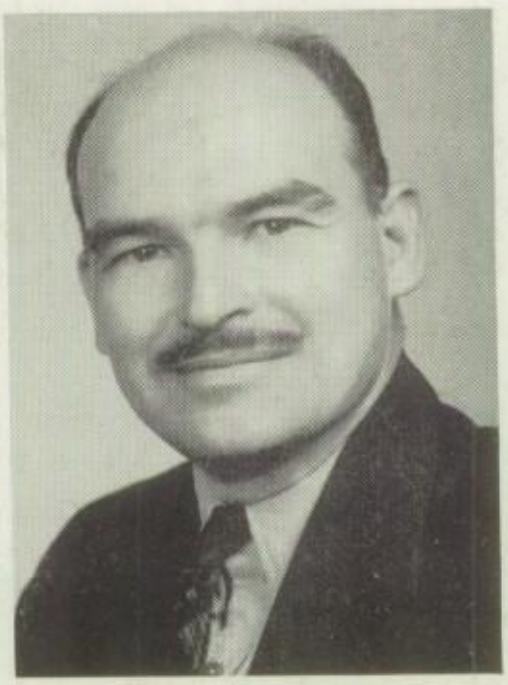
Mr. Vanatta has to double in his duties. Not only is he coaching the Bulldog Basketball Squad but he is also directing the athletic program of S. H. S.

BREWER

Mr. Brewer is our track specialist. He brings the fellows around that stretch in record time. On the side he teaches four classes in physics and aeronautics and does a good job on all counts.

ROBERTSON

"Rob," as he is affectionately called by the members of his classes, as well as the football boys, has done an excellent job and we hope he keeps it up. Thanks, Rob!



KIRKPATRICK

This is the coach of that mighty mass of manpower known as the Bullpups. Mr. Kirkpatrick dealt with inexperienced boys, but he came out on top.

HARTLEY

Mr. Hartley, our all-around helper, has as his specific job that of instructing boys in physical education. If you want to develop muscles, call on Hartley!

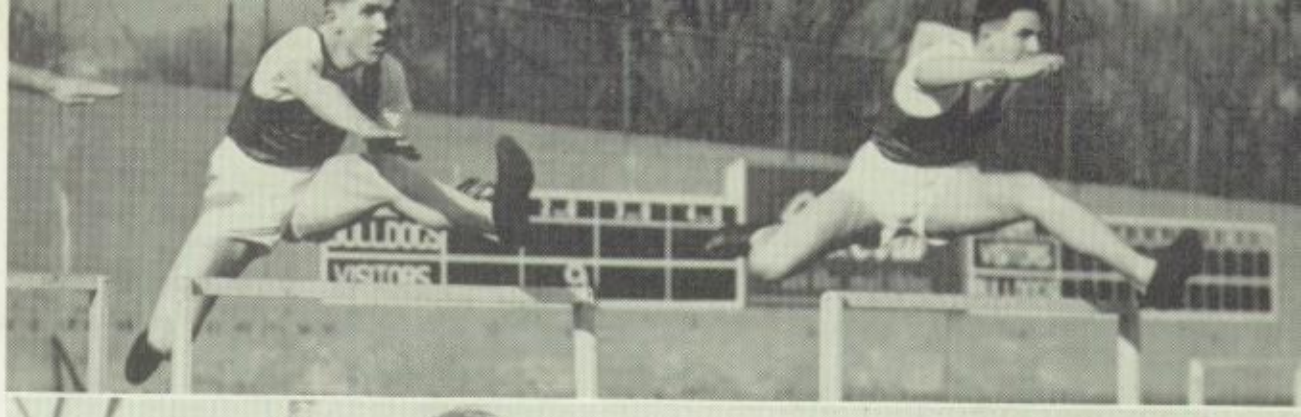
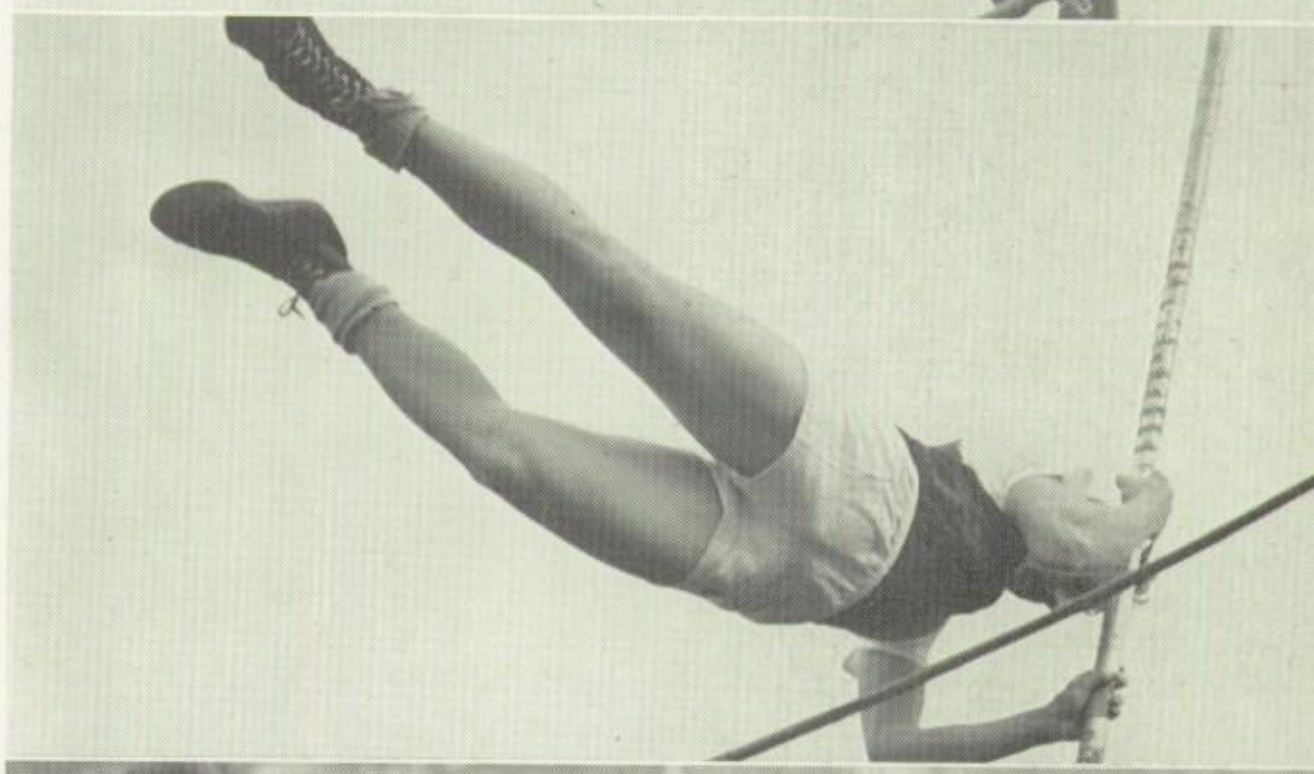
TRACK





This year the Bulldog cinder men enjoyed the biggest track season in the history of Springfield Senior High. With coaches A. C. Brewer and H. O. Hartley in command, they competed with Fort Smith, Muskogee, Nevada, Webb City, William Jewel College at Fulton, Kemper Military Academy at Kemper, Greenwood of this city, Joplin, and with teams from all over Missouri at the state meet held at Columbia May 16 and 17.

This season was highlighted by the return of nine lettermen, and by the speedy practice times of the 880-relay team, composed of Dorsey Comstock, Bill Barclay, Leonard Shipman, and Roy Parscale. While Bill Malone and Jim Grammer consistently cut down the time on the half-mile race, L. E. Smith and John Kiefer ran the 440 in a two-some that was hard to beat. These men were backed up by Jack Hembree, Charles Metz, J. Johnson, John Allen, Bob McClernon, Bob Stigall, John Girth, and Bob Huffman.

With every man on the squad performing his job to the utmost, the 1946-47 cagemen concluded a successful season —one that we of Senior High can be proud of. Each player knew his position and played it keenly with a good sportsman's attitude that has won the respect of numerous surrounding teams. They have earned it!

PEP SQUAD

ELIZABETH CADLE

Hail to the Pep Squad—the big eight! Though they have worked under a handicap, they have gone ahead with their duty as "go-between" for the teams and cheering sections. Their work in arranging trips to follow the squads has been appreciated by a sports-crazy student body. They gave their time freely to Senior High. Thanks also to Miss Cadle, whose leadership and understanding have carried them through another successful year.

The S Club at Senior High is composed of the lettermen in any major SHS sport. Under the leadership of President L. E. Smith and the guidance of Coach Vanatta, the S Club has had a very successful year. They undertook the job of selling advertising for the programs. One of the big events of the season was the S Club hayride early in the fall. Although meetings were not conducted strictly according to "parliamentary procedure", they were held weekly.

Football:

HOMECOMING...

Tradition plays an important role in every one's life, but it is never as important as it is during high school days. Homecoming is traditional. We lost our game to the Haskell Indians, but there was no regret in the hearts of the students who had screamed their lungs out at the pep assembly, marched in the parade, and enthusiastically rooted for the team again that night; for it was a clean, sporting game that held all the spirit and tradition of homecoming.

A LAST LOOK...

Fall term begins and each senior thinks to himself, "Just thirty-six more weeks and I'm free, oh boy!" Christmas rolls around and he muses, "School's almost half gone, now. I'll make it." Then, along about Easter a change comes. Only six or seven more weeks to go, and instead of slowly crawling by, the weeks fly past much too quickly. For Joe and Jane Senior suddenly realize each time they step out to dance or take in a stunt night, that this is the last time—this time will never come again. School is over, the faces and places they have known will soon be behind them.

Yes, for only during that one certain year in your life can you have your Hobo Day, dance at the Senior prom, attend Baccalaureate, and count the days on your fingers till it's all over. On that last day of days, that seemed so far out of reach thirty-six weeks ago, there is a little tingle in your heart and a quaver in your thoughts as you realize each and every minute is the last one of its kind.

—As you stand, diploma in hand, on Commencement night there is comfort in the knowledge that although you are leaving, Senior High stands unchanged. Each year it repeats its cycle. From the climbing green ivy in the fall, to the stark bleakness of winter snow, and around again to the blossom of spring, the old place stands in all its glory, taking a treasured place among your memories.

SENIOR HIGH SCHOOL SONG

Our strong band can ne'er be broken
Formed in Springfield High
Far surpassing wealth unspoken
Sealed with friendship's tie.

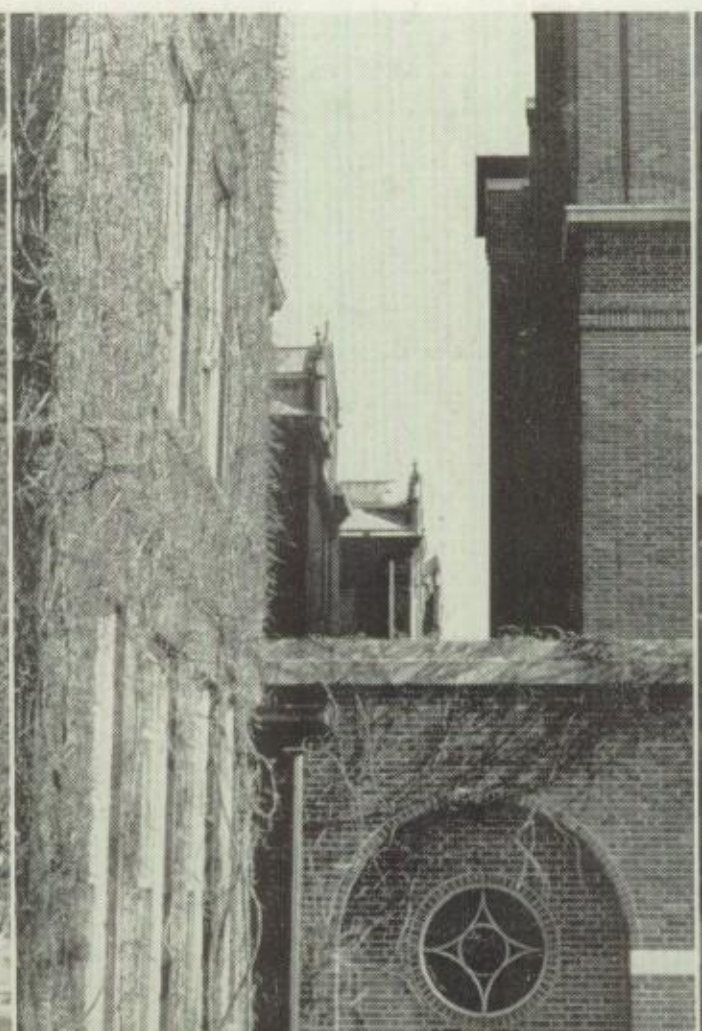
Chorus

Springfield High School now and ever
Deep graven on each heart
Shall be found unwavering true
When we from life shall part.

High school life at best is passing
Gliding swiftly by
So let us pledge in word and deed
Our love for Springfield High.

Chorus

Springfield High School now and ever
Deep graven on each heart
Shall be found unwavering true
When we from life shall part.



Our lives in school are full and happy,
Our friends there make them so;
And when a friend leaves us
A part of us must go.

But grieve not, think of all they have—
They're full of peace and love,
For nothing on this earth
Can touch those up above.

It's good to know that what we saw
Was a frame for that inside;
And even tho' the frame is gone
The soul does still abide.

And so in memory of these friends
Let us now say,
"Thank you, God, for the good in them
That is left with us today."
